

West Bengal State Action Plan on Climate Change

Government of West Bengal
Government of India

April, 2012

Table of Contents

Message

Preface

Executive Summary..... 12

Chapter 1 – Introduction 38

Chapter 2 - Process of Preparation 40

Chapter 3- West Bengal State Profile..... 43

Physiography

Climate

Demography

Water resources

Biodiversity and Forests

Economy

Chapter 4 - Observed Climate and Climate Projections 47

Observed Climate, Extreme events and Sea Level Rise

Projections of Climate, Extreme events and Sea level Rise

Chapter 5 – Water Resources 52

Introduction

Water Availability and Demand

Existing Water Related Concerns in West Bengal

Institutions Involved in Water Sector Service Delivery

Current Policies, Programmes and Projects of the Government

Impacts of Climate Change on Water Flows and Storage

Strategies and Actions to Address concerns due to Climate Change

Chapter 6 - Agriculture..... 70

Introduction

Agriculture Scenario in West Bengal

Service Delivery Institutions in the Agriculture Sector

Current Policies, Programmes and Projects of the Government

Concerns of the Agriculture Sector due to Climate Change

Strategies and Actions to Address the Climate Change Concerns

Chapter 7 – Forests and Biodiversity..... 110

Introduction

Status of Biodiversity and Forests in West Bengal

Forest Cover and Forest Type Distribution

Current Policies and Programmes of the Government to Protect Biodiversity and Forests and the Institutions Involved

Chapter 8- Human Health	119
Introduction	
Status of Disease Profile Related to Climate in West Bengal	
Service Delivery Institutions in the Health Sector	
Policies and Programmes to Manage Morbidity and Mortality in West Bengal	
Concerns Related to Climate Change and Human Health in West Bengal	
Strategies to Address the Climate Change Concerns	
Chapter 9 - Energy Efficiency and renewable Energy	130
Introduction	
Status of Electricity, Supply Consumption and Management in West Bengal	
National Mission, Policy Environment and Risks	
Energy Saving Potential In West Bengal	
Concerns due to Climate Change	
Strategies and Actions	
Chapter 10: Towards Sustainable Habitats.....	140
Introdcution	
Demography and settlement	
Trends in Urbanisation	
Urban Projections and Structures of West Bengal	
Lifeline Infrastructure	
Sanitation and Waste Water	
Housing and Contruction	
Hazards and Vulnerability	
Governance and Public Policy Framework	
Likely Impacts of Climate Change	
Adaptation Strategies	
Chapter 11 - Institute for Climate Change Studies	158
Introduction	
Core-Business	
Management of the Institute	
Prime Activities	
Manpower Requirement	
Special Regions	165
Chapter 12- Darjeeling Himalayas.....	166
Darjeeling Profile	
Current concerns of Darjeeling district	
Observed trends in Climate and Projected Changes in Climate	
Implications of climate change projections	
Adaptation Strategies	
Chapter 13- Sundarbans.....	206
Sundarban Profile	
Current Concerns of the Indian Sundarbans Region	

Key Climate Change Concerns for Sundarbans
Adaptation Strategies

Annexures.....	227
Annexure 1- Adaptation strategies, Actions, timelines and budgets	
Annexure 2: Notifications of Steering committee and Drafting Committee	
Annexure 3- Notification of the Sectoral Committee	
Annexure 4 - Notification of the Sectoral Committee for EnergyEfficiency	
Annexure 4 - Proposed Members of Scientific Advisory Council	

List of Tables

Table 3.1: Key features of the state
Table 3.2: Estimates of Net State Domestic Product in Crores by Industry of Origin at Constant 1999-00 Prices
Table 5.1: Water resources in different districts of West Bengal
Table 6.1: Trends of area under different crops and their productivity
Table 6.2: Region specific key concerns due to changing climate in West Bengal
Table 6.3: Vulnerability of fisheries in various districts of West Bengal
Table 6.4: List of Canals in South 24 Parganas
Table 6.5: Soil and climatic requirements of horticulture crops
Table 7.1: Areas under forest in different districts of West Bengal
Table 7.2: Scheme wise afforestation activities in 2006-2007
Table 7.3: Forest Fires in 2006-2007 in West Bengal
Table 8.1: Total cases and death due to diarrhoea and enteric fever reported in 2008-2010
Total incidences and death due to vector borne diseases reported from 2008-2010
Table 8.2: Total number of cases tested, confirmed and the positive rate reported from the National Institute of Cholera and Enteric Diseases (2008-2010)
Table 8.3: Total case and death reported from 2008-2010 for vector borne diseases
Table 8.4: Total Malaria cases and percentage of Pf* in West Bengal from 2008-2010
Table 8.5: Sharp rise in dengue the case of two non-endemic district in West Bengal in 2008-2010
Table 8.6: Positivity Rate* of JE/AES from 2008-2010
Table 8.7: Sun Stroke cases reported in 2009 & 2010 (Cases & Deaths)
Table 9.1: Key Players in Electricity Generation, Distribution & Use, West Bengal
Table 9.2: Renewable Power Potential and Achievement in West Bengal
Table 9.3: Energy Saving Potential in West Bengal
Table 9.4: Climate Change and possible impacts on the Electricity Sector
Table 10.1: Economic activity, Urban Growth, Drivers and growth influence district/Area
Table 10.2: Sectoral demand for water in BCM
Table 10.3: Service levels reported by ULBs in waste management
Table 10.4: Housing and amenities in West Bengal
Table 10.5: Energy consumption within key segments of Habitats
Table 10.6: Sub sectors contributing to GHG emissions and mitigative potentials
Table 10.7: Climate change and possible impacts on Habitats
Table 11.1: Partner Institutions
Table 11.2: Suggested Pay Scale of the Scientific Personnel
Table 11.3: Suggested Pay Scale of the Administrative Personnel
Table 12.1: Monthly mean maximum, minimum temperatures and rain fall for the period 1901-2000 for the district of Darjeeling
Table 12.2: Ground water characteristics in the Terai region (Siliguri)
Table 12.3: Population features of Darjeeling in 2001 and 2011
Table 11.4: Climate, Physiographic and geographic drivers for the typical flavor of Darjeeling Tea
Table 11.5: Status of urban water supply in Darjeeling district as of 31.3.2010
Table 12.6: Existing Health Infrastructure in Darjeeling District
